FOREWORD BY THE ORGANISATION

We are proud to invite you to the Dutch Open Ju-Jitsu tournament, held on the 24th and 25th of March 2018 in the Netherlands. It gives me great pleasure to announce the very first Europa Cup U15 in the history of the JJEU, which will be organised during the Dutch Open. In the footsteps of the JJIF World Cup U15, there will also be a high level European tournament for athletes under 15 years old. I would like to take this opportunity to thank the JJEU organisation, its President, and its co-workers and colleagues, for their confidence, for supporting this tournament and for taking the Ju-Jitsu sport to a higher level.

The holding of a Europa cup event is an excellent opportunity to promote the brand of Ju-Jitsu as a fight against childhood cancer. The competitions will be supported by 40 referees and more than 100 volunteers. Allow me to take this opportunity to warmly thank all of them. The Dutch Open Ju-Jitsu and Europa Cup Ju-Jitsu U15, will not only be among the main championship events held in our country in 2018.

Europa Cup Ju-Jitsu U15 – Together Against Cancer

Cancer challenges us all in various ways. Even though treatment has improved and an increasing number of patients survive cancer, the number of individuals affected is also increasing. Cancer is not one, but many different diseases. One of the greatest challenges faced by cancer care is therefore the development of more targeted and personalised cancer treatment, adapted to the specific type of cancer and the individual patients' qualities, opportunities and needs.

Childhood cancers are different to adult cancers and need their own research. Although they have names that say they're a cancer, the vast majority of them are unique to childhood. Cancer is still the most common medical cause of death for children and young people – claiming over 500 young lives each year. KiKa is the leading national children's charity dedicated to the fight against childhood cancer, as a children's charity, we want to find safer, more effective treatments for all young patients.

On behalf of the organisation, I wish you a pleasant stay in the Netherlands and on behalf of KiKa a warm thank you all for your donation!

FOREWORD BY THE JJEU PRESIDENT

Dear sport friends and enthusiasts!

From year to year we can watch more and more young athletes performing at their best in ju-jitsu sport. As we have Aspirants and Juniors participating at European and World Championships we were looking to find a way for a high-level event also for categories U15. On the international level World Cup U15 is organised in a good fashion with many participants, but for many reasons we did not recognize that format as a suitable one when organised outside Europe.

We would like to thank Judo Bond Netherland for taking the challenge to be the first to organise new format of Europe Cup U15 for this generation of perspective and eager athletes.

I hope you will enjoy in the hospitality of the Netherlands, have a good time and take home friendly memories.

Last but not least we would like to thank especially parents of our youngest athletes for all the support and investment of time and energy in ju-jitsu. We are proud and grateful having you in our family.

With best regards,

Robert Perc

JJEU President

FOREWORD BY THE JBN

Dear Sports Friends!

It gives me great pleasure to invite you for the first continental championship Europa Cup for youth under 15 years, accompanied by the JJEU annual General Assembly. Year 2018 is a year of a lot of new activities for Europa, this European Cup is one of them.

This Europa Cup for youth under 15 years will be organised together with the Dutch Open in Ju-Jitsu for U18, U21 and adults. I hope that positive approach, patience and good governance will bring better conditions for our athletes and better recognition of their achievements in the future. The Ju-Jitsu European Union and the Dutch Judo Federation has the privilege to entrust the organisation of this European Cup to the capable hands of our sports friends in Amersfoort.

I would also like to use this opportunity to thank the city of Amersfoort and other supporters, sponsors and donors for the support. It is always nice to witness the amount of understanding of importance of sports beyond the promotional level - the effect on education and building friendship. My compliments to Mr. Jeffrey Bok and his team for the professional approach, effective response and love and enthusiasm they have invested in ju-jitsu and, in particular, in the European Cup for under 15 years 2018.

We wish you a pleasant stay and please remember that winning is nice, but being part of a European Cup and Dutch Open is a reward in itself. Be proud of yourself, be proud to be part of the ju-jitsu world.

Welcome to you in Amersfoort!

FIT ACADEMIE BOKKEDUINEN

SPORTPARK BOKKEDUINEN 11, 3819 BD AMERSFOORT, THE NETHERLANDS

Fit Academy Bokkeduinen is a multifunctional sports venue where college also offers education in operation. The uniqueness of The Sport Academy is our interdisciplinary approach that connects academics with real-life work in sports. In addition to a full complement of regular prescribed courses that include advanced placement, students take introductory classes in sports media, marketing, journalism, broadcasting, event planning, technology, business and operations. The learning environment is not limited to a four-wall structure. Rather, it extends to the community, to sport industry facilities, as well as to the classroom. Sport management continues to be the flagship of the curriculum for students and professionals drawn to our school. While students have as their focus the athletic side of this discipline, our professional and community partners have business and theoretical applications and practices as theirs. Since inception, the mission has been to wed the excitement students have for sport to the practical business side of sport - which does not involve throwing, rolling, catching, hitting, or dunking a ball.

Starting with year 2016, the JJEU is using a different system for the **back numbers** used by athletes in the official JJEU competitions. The national federations purchase the special back numbers for the event via the link https://www.sportundspiel99.de/c99802203-JJEU_Back-numbers, from Ju-Sports, the premium sponsor of the JJEU

The NF's are responsible to give the back numbers to the athletes, so they can apply them to their gi's prior to the competition. The national federations must pay the back numbers for their athletes by themselves. Participating without an official back number is not allowed.

ADVERTISING

Please observe the regulations of the JJIF as far as advertising on the Judogi is concerned. Please note that during the championship no numbers on the back of the Judogi are allowed, except as specified above. Numbers on the back, from previous tournaments, must be removed from the Judogi.

REFEREES FOR EUROPA CUP UNDER 15

Each country should provide minimum 1 referee for up to 10 participants, 2 for up to 20 participants, and 3 for 21 participants and more. An € 800 fee will be requested for not having the right number of referees and collected by the JJEU organisation on the spot (conditioned for participation before the draw). This rule doesn't apply to new members during the first 3 years. This rule only applies for the Europa Cup U15 and not for the Dutch Open.

Referees should attend the briefing meeting on 24th of March at 08:00 AM.

Neither the organising committee nor the JJEU will be responsible for not respecting this obligation! However, if there won't be enough referees for the competition to take place in good conditions, JJEU may decide to complement the pool of referees with national referees of the organising federation – decided by JJEU Referee Committee.

RULES AND DRAW

- JJIF Competition Rules, Organisation and Sporting Code of JJIF. We make an appeal to all participants to respect fair-play and JJIF Book of Ethics!
